### Securing Your Family's Financial Future

Prisma+ helps you protect against life's uncertainties by offering a sizeable financial cover as well as the advantage of accruing cash savings from just RM50.00 contribution a month.

In times of misfortune, we will give the Sum Covered plus the cash savings accumulated to your family to help ease their immediate financial worries. You can rest assured that your family's long term welfare is taken care of.

### Plan Features

Your investment principles are fully respected by way of Takaful – a Shariah-compliant plan in which participants agree to help each other by making contributions in the form of Tabarru' (donation) to a Family Takaful Fund. As managers of this Fund (according to the Wakalah concept), we are responsible for ensuring that it is well positioned to honestly provide returns and benefits; and that it delivers prompt payments to the participants in times of need.

As representative, Etiqa Family Takaful Berhad is entitled to receive a Wakalah fee as a service charge. This fee is borne by the Participant through deduction from the contributions paid. The actual fees vary depending on the Certificate year and contribution term selected. Please refer to the Sales Illustration for more information.

If there is any distributable surplus at the end of each financial year, it will be shared on a 50:50 basis between the Participant and the Takaful Operator. The amount will be credited to a separate account/fund and payable when the Certificate ceases. A Participant will not be entitled to the distributed surplus if he/she has made a claim under this Certificate in that particular financial year. If the payable surplus is under RM10.00, it will be donated to a charity fund as Amal Jariah (charity) on behalf of the Participant.
