### Takaful and Surplus Distribution Clause

The Participant agrees to participate in this General Takaful scheme based on the principle of Takaful and to pay the contribution on the basis of Tabarru' (donation) for the purpose of mutual support of other participants and upon payment of the contribution to the General Takaful Fund (Fund), the Participant is entitled to the Takaful cover as per the terms and conditions contained in the Takaful Certificate. Payment of sum covered to participants is payable from the Fund based on the concept of Tabarru'.

This scheme also applies the Wakalah (agency) concept, whereby the participant appoints the Takaful Operator to act on behalf of them to invest and manage General Takaful Fund (Fund). The Fund is collectively owned by the Participants where Tabarru' portion of the contribution is placed for the purpose of takaful. Accordingly, the participant agrees to pay the upfront Wakalah Fee (as shown in the Product Disclosure Sheet or/and the Takaful Certificate) to the Takaful Operator as a deduction of certain amount of contributions, to cover the expenses of managing and operating the Fund based on the following rates whereby the operator shall have the full discretion to waive part of the Wakalah fee:

TPCA (Third Party Claims Administrator) Fee : RM 15.00	

The Participant also agree to authorize the Takaful Operator to delegate its rights, duties and obligations to any third party as the Takaful Operator deems fit for the purpose of achieving the objective to invest and manage the Fund, provided that, in the event of any such delegation, the Takaful Operator will remain liable and responsible for all such rights, duties and obligations towards the Participant.

At the end of each financial year, the distributable surplus (if any) from the Fund will be determined annually and will only be payable for annual Certificate. The distribution, if any, makes allowance for contingency provisions, and is subject to the surplus policy approved by the Takaful Operator's Shariah Committee. The Participant agrees that the Takaful Operator will receive 50% of distributable surplus for operating and managing the Fund based on the contract of Ju'alah (reward). The balance of 50% will be shared amongst participants whose Takaful certificates have not terminated and who have not made any claim prior to the expiry of their Takaful certificates.

In the event of insufficient balance in the Fund to pay the Participant's Takaful benefits during the period of Takaful, the Takaful Operator will make good the balance in the Fund under the principle of Qard (interest-free loan) from the shareholder's Fund provided that the insufficiency is not due to the Takaful Operator's negligence. If the insufficiency is due to the Takaful Operator's negligence, the Takaful Operator will make the outright transfer for the insufficiency. The participants further agree that any future surplus arising from the Fund during their Takaful period can be used to pay for outstanding Qard to the Takaful Operator.

The participant further agrees that if the surplus or any sum payable is less than Ringgit Malaysia Ten (RM 10.00), it will automatically be credited to charitable fund, which will be utilized as Amal Jariah on his/her behalf.
