Basis of Contract

This plan applies the Tabarru' (donation) concept, whereby the participant agrees to donate or contribute a portion from the contribution paid into the Participants' Risk Fund (PRF) for the purpose of mutual aid and assistance to the participants in case of need.

This plan also applies the Wakalah (agency) concept, whereby the participant appoints Us to act on behalf of the participant to invest and manage the Participants' Risk Fund (PRF). Wakalah fee is deducted from the contribution of each certificate. The participant also agrees to authorize Us to delegate Our rights, duties and obligations to any third party as We deem fit for the purpose of achieving the objective to invest and manage the PRF, provided that, in the event of any such delegation, We will remain liable and responsible for all such rights, duties and obligations towards the participant.

The single contribution less Wakalah fee will be paid into the Participants' Risk Fund (PRF). Surplus arising within the PRF makes allowance for contingency provisions and will be distributed according to the surplus policy approved by Our Shariah committee. 50% of any distributed surplus will be shared amongst the persons covered with in-force certificates of takaful and who have not made any claim within the financial year. The remaining 50% to be paid to Us for operating and managing the PRF, based on the contract of Ju'alah. Ju'alah is a reward contract that specifies the share of the distribution of surplus on this basis.

The distributed surplus shared to the persons covered is accumulated within a segregated fund. 85% of any investment profits on the segregated funds will be shared amongst the persons covered with in-force certificates of takaful, and the remaining 15% to be paid to Us, based on the contract of Mudarabah. Mudarabah is a mutual contract between Us and the persons covered for the investment profit. The segregated fund is paid together with the benefits, on expiry of the certificate of takaful, or should the person covered notify Us and the participant at any time prior to expiry of the certificate of takaful and the amount requested is at least RM 500.
