Continuous Medical coverage

Daniel, age 30

Participated in ElitePlus Takafulink with Takafulink Medical Plus and Takafulink Waiver of Contribution for TPD add-ons. At the age of 50, an unfortunate accident occurred and caused him disability (TPD). Daniel's ElitePlus Takafulink plan pays him the disability and compassionate benefit, and will continue to cover him with the benefits from Takafulink Medical Plus (based on account value).

Note: The scenario above is used for illustrative purposes only.

This is an investment-linked takaful plan that is tied to the performance of underlying assets, and it is not a pure investment product such as unit trust or fixed deposit.
