Diana

At the age of 25, Diana bought Etiqa's e-CancerCare plan with a coverage tenure of 20 years. Unfortunately, she was diagnosed with early stage breast cancer (carcinoma in situ) when she turned 30 years old. With Etiqa's e-CancerCare plan, Diana will be paid an Early Stage Cancer benefit which is a cash lump sum of 30% of the insured amount. With this, she can seek cancer treatments to combat the disease with the hope of recovery. Today, thankfully, she is living a healthy lifestyle while her policy continues to cover her till the end of the policy term.
