Salma

At the age of 25, Salma participated in Etiqa's e-CancerCare Takaful plan with a coverage tenure of 20 years. Unfortunately, she was diagnosed with early stage breast cancer (carcinoma In situ) when she turned 30 years old. With Etiqa's e-CancerCare Takaful plan, Salma will be paid an Early Stage Cancer benefit which is a cash lump sum of 30% of the covered amount. With this, she can seek cancer treatments to combat the disease with the hope of recovery. Today, thankfully, she is living a healthy lifestyle while her certificate continues to cover her till the end of the certificate term.
